

EPIC Federal Credit Union may use cookies, pixels, web beacons, and similar tracking technologies on our website to help improve functionality, enhance user experience, analyze website performance, and support marketing and advertising efforts.

These technologies may collect information such as browser type, device information, pages visited, IP address, and interactions with our website. Information collected may be used by EPIC Federal Credit Union and trusted third-party service providers to better understand website usage, measure the effectiveness of marketing campaigns, and deliver relevant content or advertisements.

You can control or disable certain cookies and tracking technologies through your browser settings or available consent management tools on our website. Please note that disabling certain technologies may affect website functionality.
